

Jonathan Abrahami

GAME DESIGNER

PROFILE

A driven, hard-working game designer, experienced in customer support, detail oriented projects, and Scrum environments and processes. Recently moved to the area, and looking for employment growth and opportunities.

EXPERIENCE

LAB ASSISTANT – NONPAREIL INSTITUTE

Jun 2024 - Present

I assist in tutoring and practicing with other students in several different game design subjects and courses on behalf of instructors during instructor guided and student-led independent lab sessions.

FRONT STORE ASSOCIATE – CVS PHARMACY

Jun 2023 - Present

I assist customers in everything from locating items, to checking out and refunding at the registers as well as assisting at the automatic self-checkout when the terminal fails. As a result, customers leave satisfied and the store operates smoothly.

SANDWICH MAKER – JERSEY MIKE'S SUBS

Aug 2022 – Jan 2023

I prepared ingredients and assembled sandwiches to order in a timely manner as well as operated the grill and cleaned the shop, and in so doing ensured the smooth operation and timely shipping of quality products to a steady stream of customers.

MACHINE OPERATOR – OPERATION 32

Jan 2021 – Apr 2021

I operated a computerized wood-cutting machine through use of programs with files for cuts and shapes, turning wood boards into parts for easy custom cabinetry assembly.
